Communication to Our Members

From the MRCC Board of Directors

With the retirement of President Susanne Morreale Leebler, we understand there have been many questions and concerns about the direction of the Marlborough Regional Chamber of Commerce going forward. We want to assure you about the status quo.

Because of the leadership vacancy, we have been in the process of restructuring. This includes looking at all our opportunities and taking various steps for ensuring not only the leadership, but also the financial and operational stability and growth of the MRCC in the future.

Our current actions include:

- Conducting a search of candidates to fill the role of President of the MRCC.
- Updating the MRCC bylaws, to be approved by the MRCC membership.
- Taking strategic actions to reduce expenses and improve efficiencies.
- Establishing new board committees to address the restructuring, nomination of candidates for MRCC President, the updates to the bylaws, and communications to members and the community regarding the MRCC's status.

The MRCC is continuing to maintain regular hours at our office located on Florence Street in Marlborough, which is being run by two employees with assistance from our numerous volunteers. The office is open Monday to Thursday from 8:30 a.m. to 3:00 p.m. and closed Friday except on the third Friday of the month.

We are also continuing to conduct networking events on a regular basis (please see our weekly emails). We hope you will continue to support our efforts as we continue our mission of serving as a **"Connection for Success"** – promoting and advocating for our members' businesses and civic interests and collaborating with the communities for the economic benefit of the region. Until we appoint new leadership, the MRCC is being managed by the Board of Directors, each of whom are business owners or business leaders in our community and serve on the Board as unpaid volunteers. We will keep you up-to-date on the status of our leadership search and bylaw updates in the weeks to come.

If you have any questions regarding the MRCC's status, please feel free to contact **Mary Jo Nawrocki**, Chair of the Board of Directors (maryjo337@gmail.com) or **Beth Bryant**, our Communications Director (508-786-3013; bbryant@bbwrites.com).

The "It's Your Business" newsletter is a publication of the MRCC: Marlborough Regional Chamber of Commerce. Celebrating over 90 years of service!

At Capaccio, we live our mission of "Helping Industry and the Environment Prosper". We align Environmental, Health and Safety (EH&S) with overall business objectives to strategically position companies for success. Our unique approach combines our extensive EH&S experience with innovative tools, such as our EHS Dashboard™, to effectively address business challenges. Capaccio has been a Chamber member since 2010. We quickly learned that our company's mission closely aligns with the Chamber's philosophy and decided to become more involved. I joined the Board of Directors and later became a Chamber Ambassador, which has been extremely beneficial. Capaccio has been able to foster relationships with other Chamber companies such as Boston Scientific and Quest Diagnostics, which are in the industry sector that we target. We also gain greater access to local bank officers who value our site assessment services. Over the past year, Marlborough has attracted even more world class companies. As Chamber Ambassador, I have been able to gain introductions to these new businesses. If you are a service firm, you should consider joining the Chamber. You will not only increase your business to consumer opportunities but will discover that it can also facilitate business to business opportunities for your firm.
